

**PROJECT
MANAGER -
NORTHERN
REGION**

GENERAL SUMMARY

The Kensa Group represents award-winning British engineering at its finest - the UK's leading manufacturer of ground source heat pumps (Kensa Heat Pumps), and the UK's pioneer of their mass-scale installation (Kensa Contracting).

The Kensa Group is transforming how Britons heat their homes, delivering a 21st century alternative to the gas grid. With over two decades of proven expertise in low carbon technology, we want to connect people in homes and businesses across the UK to cleaner, greener, and cheaper heat. Together, we will meet the UK's ambition to install 600,000 heat pumps every year by 2028, and be net zero by 2050.

ROLE OVERVIEW

For two decades The Kensa Group has been connecting people to cleaner, greener, and cheaper heat by transforming how British homes are heated, delivering a 21st century alternative to the gas grid.

We are now looking for another Project Manager to join our Delivery Team in the North of the country.

Job Title: Project Manager North

Work base: Remote working

Responsible to: Ashley Craighill, Regional Contract Manager

Responsible For: Assistant Project Manager(s), Site staff and Agency Workers

ROLE BENEFITS

To facilitate your success as a Project Manager, we will provide an innovative and futuristic oriented environment, a forum to express and test ideas, and interesting work with challenge and opportunity.

We also offer the pivotal opportunity for you to make a significant contribution to the safeguarding of our environment, saving the planet one heat pump at a time.

At a grass roots level, we welcome you to a culture of incredibly hard-working, knowledgeable, inspiring, committed, enthusiastic, and passionate people.

We expect a lot from our staff, because we expect a lot from our industry's potential – we are all committed to the UK's 2050 path to net zero carbon, and are determined to achieve that goal, but we also want to enjoy the journey together.

Competitive salary: £35,000 - £40,000 base. Dependent on qualifications and experience.

Uncapped bonus scheme: Company performance related pay plan with an OTE of 112% of base salary.

Pension: Automatic enrolment into Kensa's company pension scheme.

Holiday: 25 days holiday increasing to 30 days holiday (plus bank holidays) for 5+ years' service.

Flexible working environment: We understand the benefits of flexible working conditions to meet the demands of your role, so we can accommodate a blend of working from home and office based.

Office culture: Aside from a fully stocked sweet cupboard, we ensure you are well-stocked and have all the technology and equipment you need to perform at your best.

Social events: Work hard, play hard, we love to host regular Kensa parties for staff and their families, and in recent times when we haven't been able to get together in person, we do all we can to keep spirits high.

Growth: Your development is important - we encourage and help with development including internal and external courses, learning, study, and software support, all bespoke to you.

Wellbeing: Free 24/7 access to an independent and confidential Employee Assistance Programme for you and your immediate family.

Health: Private Health Insurance available after one year of service.

Active: Cycle to Work Scheme to help lower your carbon footprint whilst boosting endorphins and your health

ROLE REQUIREMENTS

KEY BEHAVIOURS

- To build a comprehensive knowledge of Kensa products and to keep updated with changes in product design and application.
- To deal with issues in a calm, non-confrontational and courteous manner.
- To take responsibility for ensuring follow-up actions are taken and full information is recorded.
- To undertake training and to assist in training other members of staff as required.
- To actively and positively contribute to any appraisal process and to follow up agreed actions.
- To remain a positive ambassador of Kensa at all times
- To work at all times in accordance with the Health & Safety at Work Act 1974 and to follow all company procedures and guidelines.
- To work at all times in accordance with the company's Dignity & Diversity at Work Policy
- To undertake such other duties as may be required within the general scope of the job.

PEOPLE DEALING WITH

Clients, social housing landlords and tenants, local authorities, construction and development companies, manufacturers, architects, householders, distributors, sub-contractors, installers, suppliers and colleagues.

ROLE RESPONSIBILITIES

Support Kensa Contracting Managers in all areas of project delivery to include but not limited to:

- To supervise and manage delivery of ground source heat pump installation projects.
- To educate, coordinate and supervise sub-contractors to ensure their work is to an agreed quality, is on time and meets the requirements of MCS, ECO, RHI and building regulations.
- Liaise with householders, sub-contractors, clients, their agents and Kensa staff to ensure everyone is aware of project schedules and fully understand the installation process and what impact it may have on property use.
- Attend pre-contract meetings with clients, who may be social landlords, local authorities, developers etc, advise on contractual requirements, valuations and health and safety issues.
- Prepare construction phase plans including risk assessments and health and safety policies. Ensure all site operatives adhere to health and safety requirements.
- To detail and specify project requirements to all sub-contractors to allow them to provide detailed quotations.
- Select appropriate sub-contractors based on balancing a range of factors including price, quality, experience, suitability and availability.
- Approve new sub-contractors including making them fully aware of Kensa's terms and conditions, checking their qualifications, trade body and membership and insurances.
- Produce a detailed project schedule, construction phase plan and risk assessments and provide these to the client.
- To coordinate the timing of product deliveries and the work of the various sub-contractors and communicate this to the client and householders as appropriate.
- To train sub-contractors on the requirements of Kensa's heat pumps and the specifics of each project.
- To supervise sub-contractors and deal with any issues that may arise.
- To record actual site progress and produce project valuations (usually monthly or bi-monthly) as evidence for invoicing purposes.
- To record commissioning information and verify compliance with building regulations and MCS
- To support the sales team and client with pre-order technical information and guidance.

WORKBASE

This role will be remote working.

REPORTING STRUCTURE

- Responsible to: Ashley Craighill, Regional Contract Manager
- Responsible For: Assistant Project Manager(s), Site staff and Agency Workers
