

Kensa Contracting  
A KENSA GROUP COMPANY

# Logistics Coordinator

# GENERAL SUMMARY

The Kensa Group represents award-winning British engineering at its finest - the UK's leading manufacturer of ground source heat pumps (Kensa Heat Pumps), and the UK's pioneer of their mass-scale installation (Kensa Contracting).

The Kensa Group is transforming how Britons heat their homes, delivering a 21st century alternative to the gas grid. With over two decades of proven expertise in low carbon technology, we want to connect people in homes and businesses across the UK to cleaner, greener, and cheaper heat. Together, we will meet the UK's ambition to install 600,000 heat pumps every year by 2028, and be net zero by 2050.

# ROLE OVERVIEW

The Logistics department process orders and oversees the cycle of order fulfilment. The department ensures supplies, stock, materials, packages, and products are processed through the delivery system efficiently and arrive on time and within budget.

The Logistics Coordinator role is integral to the smooth running of the Logistics Department. The role will develop and grow with time and with the right candidate.

Kensa Contracting operates nationwide from two sites, one in Truro (Mt Wellington (production/administration) and one in Exeter (sales/marketing/Contracting). The role will be based at the Exeter office but you will also be required to travel to either of the two offices to attend meetings occasionally.
